

**CITY OF PLACENTIA
CITY TREASURER**

LELAND L. "LEE" CASTNER
OCCUPATION: Businessman

AGE: 71

I have been a resident of Placentia since my days as a student at Valencia High School. I have owned Castner's Auto Service, a family business in downtown Placentia, for 47 years. I am thankful for the happiness and success this community has afforded me. I was named Chamber of Commerce Citizen of the Year in 1977-78 and Volunteer of the Year for the City of Placentia in 1999. I have volunteered thousands of hours to my community.

I am concerned about our community. For that reason I pledge to apply my business skills and civic service passion to the position of City Treasurer. We have a chance to make Placentia a better city by redeveloping our Old Town area. With your support, I will help Placentia attain its goals by upholding the City Charter and working closely with the City Council and the Finance Department.

Your consideration will be very much appreciated!

I can be reached at (714) 524-5758 or e-mail lcastner@earthlink.net.
